

## PHP Final Year Project Titles

Sl. No	Project Title
1	Online Student Management System
2	College Admission Management System
3	Online Examination System
4	E-Learning Portal
5	Digital Library Management System
6	Hostel Management System
7	Online Attendance System
8	School Fee Management System
9	Alumni Management Portal
10	Online Result Processing System
11	Library Book Tracking System
12	Course Registration System
13	Online Quiz Application
14	Student Feedback System
15	Placement Management System
16	Internship Management Portal
17	Online Certificate Verification System
18	Classroom Scheduling System
19	Faculty Management System
20	Campus Event Management System
21	Online Voting System
22	Complaint Management System
23	Help Desk Ticketing System
24	Online Leave Management System
25	Employee Payroll Management System
26	HR Management System
27	Inventory Management System
28	Online Shopping Cart System

29	E-Commerce Website
30	Online Grocery Store
31	Pharmacy Management System
32	Hospital Management System
33	Patient Appointment System
34	Blood Bank Management System
35	Doctor Consultation Portal
36	Online Food Ordering System
37	Restaurant Management System
38	Hotel Booking System
39	Travel and Tourism Management System
40	Cab Booking System
41	Bus Reservation System
42	Train Ticket Booking System
43	Airline Reservation System
44	Vehicle Rental System
45	Car Parking Management System
46	Property Rental Management System
47	Real Estate Management Portal
48	Online Auction System
49	Job Portal System
50	Resume Builder Application
51	Online Blogging Platform
52	Content Management System
53	News Portal Website
54	Online Discussion Forum
55	Social Networking Site
56	Event Ticket Booking System
57	Digital Wallet System
58	Online Banking System
59	Loan Management System
60	Insurance Management System
61	GST Billing System

62	Invoice Management System
63	Accounting Management System
64	Expense Tracking System
65	Budget Management System
